

Job Posting

Remote Broadcast Technician (Part-time/On-call)

Company Description

We Stream Radio is a broadcast technology company which provides internet-based and on-site technical services to radio broadcasters.

Job Description

In the Nashville market, we provide on-site technical services to some of our city's most prestigious entities. Our Remote Broadcast Technicians assist with the ongoing technical needs of our customers when performing broadcast events outside of their typical studio locations.

This posting is for a Part-time/On-call hired position.

Job Duties

- Responsible for technical performance of remote broadcasts
- Troubleshoot and remediate various technical issues within a remote broadcast environment
- Determine technical needs of remotes and prepare equipment accordingly
- Transport, setup, and tear down equipment for remotes
- Other duties as assigned

Required Skills

- Fundamental knowledge of professional sound equipment and basic electronics
- Understanding of basic internet and telephone technologies

Other Requirements

- Applicant must be able to work a variety of hours including early mornings, evenings, and weekends.
- Applicant must have reliable transportation to/from events within Davidson and surrounding counties.
- Excellent communication and inter-personal skills
- Excellent attitude towards customer service

Proximity Abuse Policy

Our customers often rely on maintaining relationships with performing artists and other public figures. On occasions when our technical staff has proximity with these persons, the utmost professional behavior is required.

Background Check

- Applicant must be able to pass criminal background check. (No history of assault, drug crimes, stalking, dishonesty, theft, etc.)
- Applicant must have a three year driving record clear of any major violations (DUI, reckless driving, etc).

Compensation

- \$15.00/Hour, Starting
